

Quality Policy Statement

The Elmec Group, provide full turnkey, mechanical and electrical solutions, throughout the UK. Our reputation is built on providing, excellent service and standards to all stakeholders.

It is our policy to provide all our services to the standards and agreed requirements for our stakeholders. The Elmec team are dedicated to ensure the Quality Control standards are maintained at all levels. We continually seek improvement of our systems and processes, and encourage all employees, suppliers, sub-contractors, and customers to be involved within this process.

Our Quality Policy and company actions are set by our guiding principles.

- Drive continual improvement, efficiency, and innovation through all levels of the business.
- Develop all staff competencies, qualification, skills and experience through appropriate development programs and through management involvement and commitment.
- Ensure that our knowledge, expertise and experience is shared with our customers.
- Continually strive to ensure customer satisfaction in all elements within our control.
- Achieve our commitments, with respect to quality and schedule.

The Directors, Management and Staff are all responsible for Quality Control within our business, and are fully committed to achieving our standards. This commitment ensures that the Companies expectations for now and the future are realised.
